EWR

4a

This section illustrates the EWR (Energy Window Rating) process. It features a light blue background. On the left, there are illustrations of window profiles and various types of roof tiles. On the right, a QR code is shown above a smartphone displaying a website interface. A large blue arrow labeled '4a' points to the right.

ESR

4b

This section illustrates the ESR (Energy Solar Rating) process. It features a light yellow background. On the left, there are illustrations of window profiles and roof tiles. On the right, a QR code is shown above a smartphone displaying a website interface. A large yellow arrow labeled '4b' points to the right.

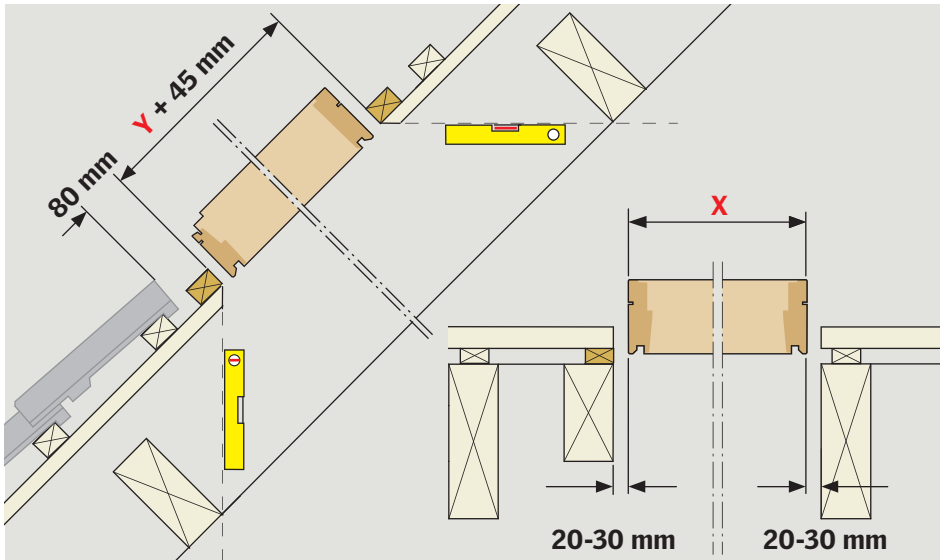

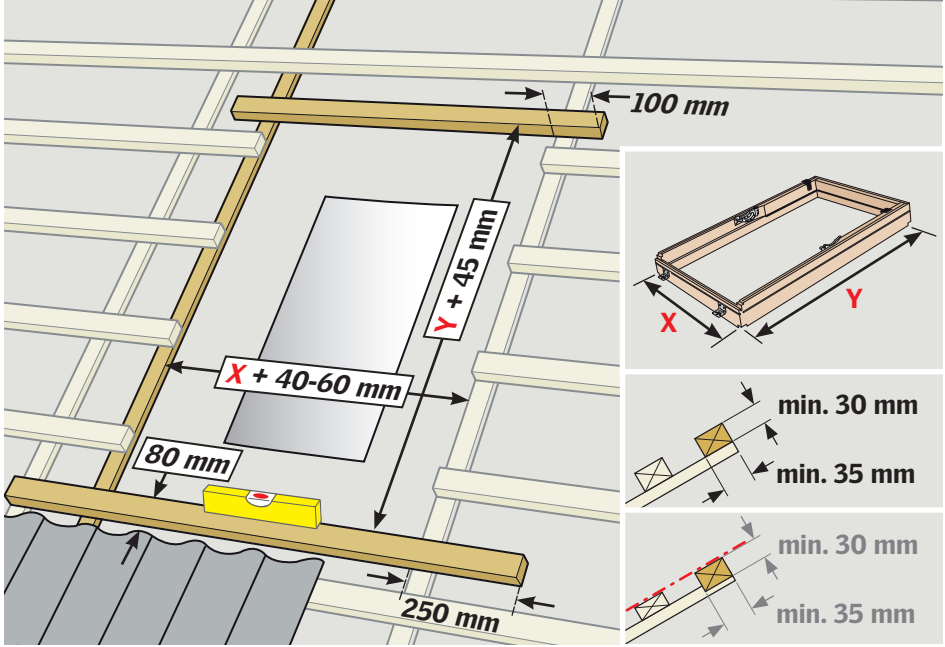

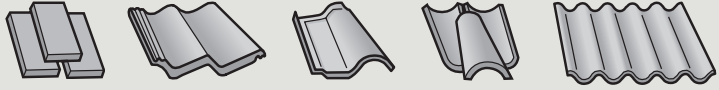

**EWK
ESK**

This section illustrates the EWK (Energy Window Key) and ESK (Energy Solar Key) process. It features a light grey background. On the left, there are illustrations of window profiles. On the right, a person is shown using a tablet to scan a product box. A red arrow indicates the scanning action. The product box has 'VELUX' and 'Energy Key' branding.
